

Product Name - Deity ASM2 Pro Kit
SKU - DTS0304D63
UPC - 6971842186020
Product Weight - 220g
Warranty - 1 Year

Bullet Points

- Built in collaboration with Radius Windshields
- Exceptional isolation from movement, handling noise, and other vibrations associated with booming
- Compatible with all 19-25mm microphones
- Built-in XLR Connector holder; includes the compatible XLR-Link cable
- Produced using virtually indestructible thermoplastic elastomers
- Includes Boom Pole Mount, Handheld Grip, & XLR-Link Cable

Product Descriptions

The Deity ASM2 Pro Kit is a revolutionary shotgun microphone shock mount crafted in partnership with Radius Windshields. It is designed to meet the exacting standards of discerning filmmakers.

Engineered for unparalleled performance, the ASM2 Pro Kit delivers exceptional isolation from movement, handling noise, and other vibrations inherent in booming operations. Its meticulously designed construction ensures optimal stability, allowing filmmakers to capture pristine audio in any environment.

Versatility is at the core of the ASM2 Pro Kit, with compatibility extending to all 19-25mm microphones. Its built-in XLR Connector holder and the included XLR-Link cable streamline setup, eliminate clutter, and ensure seamless integration with your existing equipment.

Crafted from virtually indestructible thermoplastic elastomers, the ASM2 Pro Kit is built to withstand the rigors of professional filmmaking. Whether mounted on a boom pole or handheld, this shock mount epitomizes durability without compromising performance.
