

## **DQC1 Feature Sheet**

### **Bullet Points:**

- 45W Charger
- USB-C Input and Output
- Supports All USB Power Supply Standards
- Onboard Charging LED Meter

### **Product Description:**

The DQC-1 Smart Battery Charger comes packed with features that set it apart from other battery chargers on the market.

### **Powerful Charger and Adapter**

It has a 45-watt USB-C Input for charging the connected battery, and it can also be used as a USB-C output of up to 45 watts, making it powerful enough to run a laptop. The charging module is housed inside a metal chassis, making it durable and long-lasting. It also features a 4 LED charging meter, allowing you to monitor the progress of your battery's charge.

### **Affordability**

Perhaps one of the most impressive features of the DQC-1 Smart Battery Charger is its affordability. It is currently the most affordable smart battery charger on the market, making it an excellent choice for those on a budget.

### **Portability**

The DQC-1 Smart Battery Charger is super compact and portable, making it an ideal choice for reality TV and documentary crews. It can easily be packed in a bag and taken on location, ensuring that your batteries are always charged and ready to go.

### **Product Specs:**

Size - 53.5\*45\*16.5mm

Weight - 90g

Cable Length - 120mm

Charging Indicator - LED

Battery Life Meter - LED

USB-C Input - 5V3A, 9V3A, 12V3A, 15V3A, 20V2.25A

USB-C Output - 5V2.5A, 9V2.5A, 12V2.5A, 15V2.5A, 20V2.5A

Battery Cup Output Voltage Max - 16.8V @ 45W
